Week 18: Matching Outfits, Matching Smiles

Quote of the week: “Do the best you can until you know better. Then when you know better, do better.”
-Maya Angelou

This year, we are so excited to have our 8th-10th graders interviewing and gathering information for our newsletter! Here's what they found:

Survey from Week 18...

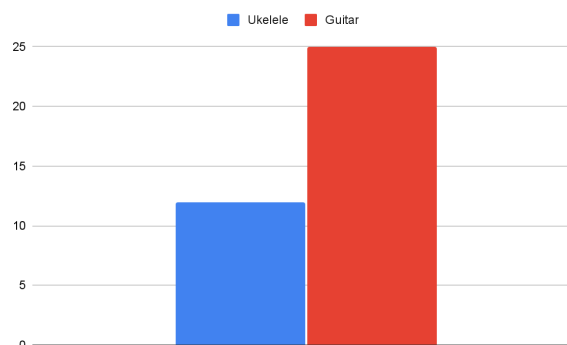

-Do You Like Playing Hide & Seek or Tag-

Hide & Seek	Tag
16	7

-Are You Going On a Trip for Spring Break-

Yes	No
17	16

-Would You Rather Play Guitar or Ukulele-

-What Did You Learn This Week-

Kindergarten learned about calendars and Moses.

2nd-4th learned about sun rays, syllables, science, division, bossy R patterns, vowel swing, coding, and Samuel.

5th-8th learned about math, dividing decimals, probabilities, map testing, outer space, count value, liquid nitrogen, long decimal division, that geese don't like spearmint, math to the power of, and fractions.

9th-10th learned about geometric and arithmetic sequence, aloe vera means affection, but also grief, flowers, a white flower means "I cannot", and Macbeth.

A Special Look at Our Awesome Students!
