

Please remember that supplies do not have to be new. It is fine to recycle supplies from last school year that are in usable condition. Also, if you notice some traditional school supplies missing from the list (such as notebook paper), it is because we have had generous donors provide it to our classrooms, so there is no need for students to supply.

1. pencils - please send at least a couple wooden pencils as mechanical pencils often break and run out of lead at inopportune times
2. Pencil sharpener - Quiet - NO battery or electrical cord
3. Clear Plastic Box to store supplies - NO baskets with holes in the bottom - shoe box size - please make sure all supplies fit into 1 box and box fits IN the student desk. Boxes will NOT be allowed to sit on the floor. Having lots of pencil cases and small bags are not efficient to have floating around in the desk. All organizing cases/bags must fit INTO the plastic box. A 6 QT (5.7 L) box will fit INSIDE the desk. Students will also have a chair bag to store and organize supplies.
4. 2-3 glue sticks
5. 1 box tissue
6. 1 pair of student scissors - I have some that previous students have left that have been cleaned and that I can give to students if needed.
7. 1 container Clorox Wipes
8. 1 ruler with 12 inches AND 30 centimeters
9. Personal SMALL bottle of hand sanitizer (optional as school will also provide)
10. 2 Erasers - pencil tops don't last long
11. Bible (we will underline verses, can be Bible from last year)
12. Water bottle to keep on desk - drinking fountain might not be available except to fill bottles
13. 3 ring binder with pocket in front and back - 1/2" to 1"
14. Colored pencils - pack of 12 is fine - There are some that previous students have left that have been cleaned and that can given to students if needed.
15. Water Color Paint - 1 paint set (New students only - returning students should still have his/her set from last year in class because I forgot to send it home.)
16. 2 SPIRAL bound notebooks - wide rule lines, student choice of color/picture

*If students need additional supplies throughout the year, you will be notified.
